

# Gray Squirrel Nymph

- [Nymphs](#)

This nymph has become my favorite nymph on the Androscoggin River. I have seen some nice Rainbows fooled by this fly on the Shelburne section of this big river. This fly also saved the day for a friend fishing a remote trout pond in northern Maine. You won't find this nymph in the big fly shops, this was created right here at my little shop and tested on the local streams. offered in sizes 6, 8, 10, 12 Weighted.

Price: \$2.00
